

Dear Kobay, Thanks to your encouragement -  
something worthwhile has been achieved.  
I hope it comes up to your expectations.  
Looking forward to your translation of  
my MSB.

Affectionately  
Jo-hung.

U Ko Lay, Retd. Vice Chancellor of the University of Mandalay and who initiated and opened the University, was U Tin Tut's cousin.

U Ko Lay goes by the pen name " Zeya Maung " and writes and translated many books from Myanmar to English and English to Myanmar.

Lt. General Khin Nyunt agreed to let U Ko Lay translate U Tin Tut's Memoirs to Myanmar and publish. Half way through the translation, U Ko Lay passed away in 1993 and no one can tell where the Myanmar manuscripts are.
